

# ***“MAG-TOBER FEST”***

**2021 FALL MARKET**

**VENDOR APPLICATION**

**Application Deadline is September 15, 2021**

We are excited to offer a Cape Ann Makers Market vendor opportunity, in conjunction with the Magnolia Community Farmers Market and the Magnolia Library!

**CAMM 2021 Fall Market:**

**Sunday, October 10**

**11 am to 5 pm**

**At the Magnolia Library, 1 Lexington Avenue, Gloucester**

We're looking for 24 Cape Ann Artisans, Crafters or Maker vendors. This is a semi-juried event and vendor selection will be based on craftsmanship, innovation, materials, creativity and quality. An emphasis on handmade gifts for holidays is a plus for this market. We will not accept vendors selling directly imported goods, otherwise commercially made (buy/sell) items or direct sales.

The Maker Market is an indoor feature of a larger community event that includes an outdoor farmers market, live music, antique cars, food trucks and a beer garden to be set up along Lexington Avenue.

**Vendor fee is \$35** and will be directed to the **Magnolia Library Capital Campaign** to fund critical building improvements.

**Indoor Vendor Space Approx. 8'x5'**

Vendors must provide own table, no longer than 6 feet.

Due to limit to one table per space, think vertical for display.

Vendor spots will be assigned.

Electrical connection and wifi are available. Vendors must provide own extension cord.

**No payment is due until your application has been accepted.**

Please complete the CAMM Application Form below and submit  
**no later than September 15th.**  
Applicants will be notified about the status of selection  
by September 25th.

Check if you are a returning CAMM Vendor

### **About Cape Ann Makers Market:**

At the Cape Ann Makers Market (CAMM), we believe in a creative collective approach. It's our goal to promote collective local shopping alternatives, with a unique atmosphere to support our local makers, local environment, and local economy.

CAMM is dedicated to celebrating our makers, from Gloucester, Essex, Manchester-by-the-Sea and Rockport, who strive to create and sell high quality handcrafted goods such as jewelry, ceramics, printing, painting, photography, woodworking, fiber arts, and more.

CAMM events are co-produced by [Cape Ann Sea Salt Company](#) and [Hold Fast Company](#). If you are an artisan, crafter or maker who would like to be a part of our collaborative event planning, please email [deanna.fay@comcast.net](mailto:deanna.fay@comcast.net).
